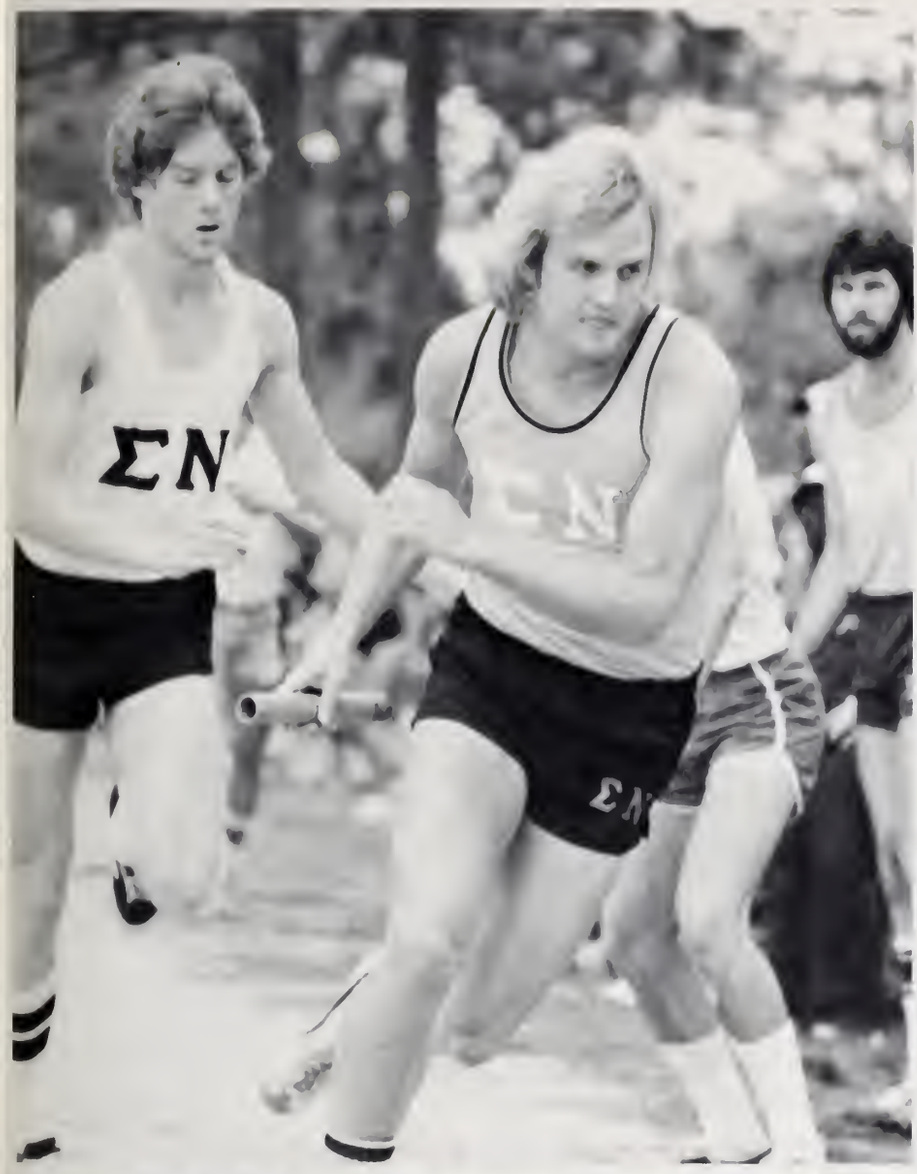
GREEK GAMES '78



The full spirit of Greek Games was captured as fraternities and sororities came together to share in a day of fun, competition and excitement last Spring. An annual event, the day is filled with a variety of events, ranging anywhere from a series of canoe races to a simple sack race. Enthusiasm filled the air as the Greeks competed, all displaying the most important character of the day—good sportsmanship.

Top honors went to Sigma Alpha Epsilon in the fraternity division and Alpha Sigma Alpha in the sorority division.

USH RUSH RUSH RUSH RUSH RUSH RUSH RU

Rush . . . a time of indecision . . . a time to decide. Each sorority offers a bond of friendship and sisterhood, each of which is unique to the other. During the week preceding Fall Semester, each girl is given an opportunity to sample and be a part of that certain atmosphere that seals the bonds of sisterhood.

In 1978, Southern's nine sororities opened their doors to over three hundred girls during formal rush. A week of activity, the anticipation and excitement mounted as bid day drew near—and then it happened—no longer was Rush a time of indecision or a time to decide—it became a reality!

Senate Race '78

A Promise For The Future?

An old maxim in Mississippi politics says that "one senator should be a gentleman and the other a sonofabitch; that way the whole state is represented." The 1978 senatorial race was clearly a gentlemen's contest.

Thad Cochran, the outspoken young conservative from the House, smoothly took the reins of the Republican organization. Democrats nominated the conservative, mild-mannered Maurice Dantin of Columbia. In contrast to the fresh young countenances of Cochran and Dantin was the familiar face of Charles Evers, the black independent. Cochran handily defeated his opponents to become the first Republican senator from Mississippi since Reconstruction.

This senatorial struggle reflected several major political and social movements which are sweeping Mississippi, the South, and the nation. The Republican victory signaled Mississipppi's move into line with other Southern states, which seem to be uniting behind the charismatic young Republicans. The defeat of Maurice Dantin, the genteel rural lawyer, by Thad Cochran, the intelligent metropolitan attorney, reiterates the growing importance of urban areas and industry in Mississippi and the South. The extensive use of television advertising by the major candidates reflects a shift away from the old tree-stump—speech kind of Southern politics. The strength of Charles Evers shows the growing discontent with the Democratic Party among blacks.

Of course, many old trends were continued in 1978: the usual flamboyant Democrat primary followed by a low-key general election; the election of a

conservative rather than a moderate or a liberal. But this race also opened a completely new vista in Mississippi politics. Only time will tell whether 1978 was a passing fancy or a promise for the future.

FUTURAMA

Futurama . . . an extra measure of helping prospective students with their future. It wasn't your ordinary college night, but a day full of activity as more than 100 colleges and universities were represented at Futurama on November 28. In addition, over 65 business and industry representatives were on hand.

Billed as "Super Day" Futurama provided many incredible learning experiences for its some 3,000 participants which consisted of college-bound high school students taking a look at their future careers.

The future part of Futurama dealt with much more than the already significant career-oriented section of the day. The future, in regard to space-age technology in transportation and communication, was one of the highlights of the day also.

The campus was transformed into a futuristic atmosphere as members of Southern Style, the campus host group, were clad in space costumes, with traffic being coordinated by personnel in golf carts. Also featured were a number of exhibits dealing with space-age technology and research. Highlighting the displays were the Saturn V and Lunar Modules, the Space Shuttle Enterprise, and the Lunar Excursion Module.

Reed Green Coliseum filled with the sounds of Christmas, November 30th, as seventeen fraternities and sororities participated in the 27th Annual Chi Omega Songfest. Kappa Sigma and Delta Delta Delta captured first place with Sigma Alpha Epsilon and Delta Gamma placing second. Phi Kappa Tau and Kappa Delta took third place honors. Special entertainment was provided by the University Singers. Governor Cliff Finch was also on hand to witness the annual charity project that raised funds for the Heart Association this year. The winners were announced by USM President, Dr. Aubrey K. Lucas, to conclude the program.

Casino Night saw the UAC sponsored Kaleidescope Week off to a leaping start. The union magically became the equal of one of the most vivacious gambling houses in Las Vegas as over 300 students bet from table to table.

The night ended with an auction, seeing thousands of dollars being bid for everything from steak dinners to a $400,000 bid for a case of beer.

FOOTBALL

Eagles Edge Spiders

Coach Bobby Collins' Golden Eagles were on the road for their first game of the season and returned home victorious after a 10-7 win over the University of Richmond; thanks to the defense. The Eagles scored first on a 41 yard field goal by senior, Randy Boyette in the second quarter. With less than five minutes to play in the third quarter USM was trailing 7-3, when defensive tackle, Stoney Parker blocked a Richmond punt which sophomore, James Hale, recovered and ran into the end zone for the winning touchdown.

McDaniel Leads Eagles To Victory

The Golden Eagles traveled to Little Rock, Arkansas, to face the Arkansas State Indians. Things looked grim for the Eagles when senior quarterback Jeff Hammond was taken from the game with a knee injury, but Hammond's replacement, Dane McDaniel proved equal to the task. On McDaniel's first drive he threw a 29 yard TD pass to Marvin Harvey for the first offensive touchdown of the year. McDaniel scored the second TD to give USM a 14-0 lead at the half. The second half was a defensive struggle. Mike Crenshaw intercepted a pass to give the Eagles their third and final score to assure a 21-6 Eagle victory.

Eagles Face First Defeat of Season

The Eagles, having yet to play on home ground, traveled to Cincinatti only to return disappointed after falling to the Bearcats, 26-14. The Eagles had their problems offensively with only four first downs throughout the contest. The Eagles trailed 9-7 at the half, with the only USM TD being the result of an interception by Cliff Lewis who returned the ball to the Bearcat three, after which Tiko Beal then 2 plays later carried in for the score.

USM Outscored But Not Defeated

After a week of rest, the Golden Eagles traveled to Mississippi Memorial Stadium in Jackson to play interstate rival Ole Miss. This game was only the second time that Southern has ever played an SEC team in Jackson. In the first quarter McDaniel scored on an option left for the first TD of the night, with Randy Boyette kicking the PAT. After the kickoff, Ole Miss fumbled after a hit from Thad Dillard and the ball was recovered on the Rebel eight yard line by Albert Teague for USM. Two plays later Chuck Cook scored for USM and Boyette's PAT was wide after an offside penalty. USM led 13-10 at the half. The controversial second half was a defensive struggle. Two costly Eagle mistakes in the fourth quarter led to two Rebel field goals, the last one made with only 16 seconds left to play in the game to assure an Ole Miss victory, 16-13.

The Golden Eagles pulled off a come-from-behind victory over rival Mississippi State. The Bulldogs were leading 17-0 early in the game when quarterback Dane McDaniel hit Larry Harrington on a two yard pass to give the Eagles their first TD of the contest. USM took to the field "fired up" in the second half scoring in the third quarter on a two yard run of Sammy Winder. A thirty-two yard pass from McDaniel to Chuck Brown set up a one yard TD run by Winder. On the PAT, the snap was high and Joe Burckel, who holds the ball on extra points, elected to pass to Tom Jordan for two points, giving the Golden Eagles a 22-17 victory over their S.E.C. opponent.

Golden Eagles Defeat SEC Rival for Second Big Year

Eagles Sink Pirates 17-16

The Golden Eagles defeated the East Carolina Pirates improving their record to 4-2. USM's first score came on a pitchout to Chuck Cook for six yards. Shortly after, Dane McDaniel was taken out of the game with a shoulder injury. Quarterback Jeff Hammond passed for 51 yards to Marvin Harvey for the second Southern touchdown. E.C.U. scored 16 points in the second quarter to go ahead of the Eagles at halftime. In the third quarter U.S.M. was playing catch-up football; Randy Boyette kicked a 35 yard fieldgoal which gave the Golden Eagles a 17-16 victory over the Pirates.

A halfback pass from Ricky Floyd to Chuck Brown that covered 56 yards, followed by a PAT by Randy Boyette started the Eagle-Tiger clash off right. The U.S.M. "Nasty Bunch" held back the Tigers for the rest of the half allowing only a three point fieldgoal resulting from an Eagle fumble. Memphis State's only touchdown came in the third quarter after a 96 yard drive that took over 11 minutes, giving the Tigers a 10-7 lead. The Eagles bounced back for a 13-10 victory with two Randy Boyette fieldgoals which gave them their third straight win of the year, a first for the Eagles in 3 years.

FSU Wins Upset Homecoming Victory

The Florida State Seminoles gained 252 yards through the air, scoring four touchdowns on pass plays, to put a damper on a spirited USM Homecoming crowd. The Golden Eagles came to life in the second quarter to put 14 points on the scoreboard. The first USM touchdown was made by tailback Tiko Beal on a one yard around the left, with Boyette adding the PAT, narrowing the Seminole lead to 10-7.

The second TD drive was a result of an interception by Mike "Crazy" Crenshaw. Five plays later Hammond threw a 23 yard TD pass to Chuck Brown making the score 17-14. Florida State returned from the half and scored 21 big points to insure an FSU victory. The Final score for the Eagles came from a safety when an unidentified Eagle Defender trapped a Seminold fullback in the end zone for USM's final two points making the score 38-16 at the games end.

Eagles Face Defeat In Texas

North Texas State handed USM its second straight defeat by capitalizing on four Eagle turnovers and converting them to points. The Eagles started junior quarterback, Joe Burkell against the Mean Green due to other quarterbacks, Hammond and McDaniel's, injuries. Burkell, plagued with two interceptions, saw the North Texas team lead 16-0 at the half. McDaniel took over at the half and cranked up the sputtering Eagle offense as he drove the Eagles 71 yards for their first score. The two point conversion was unsuccessful. USM mounted a late fourth quarter drive and McDaniel scored from the one as time ran out. Again, the two point conversion was unsuccessful and the Golden Eagles left the stadium in Benton, Texas downed by a final score of 25-12.

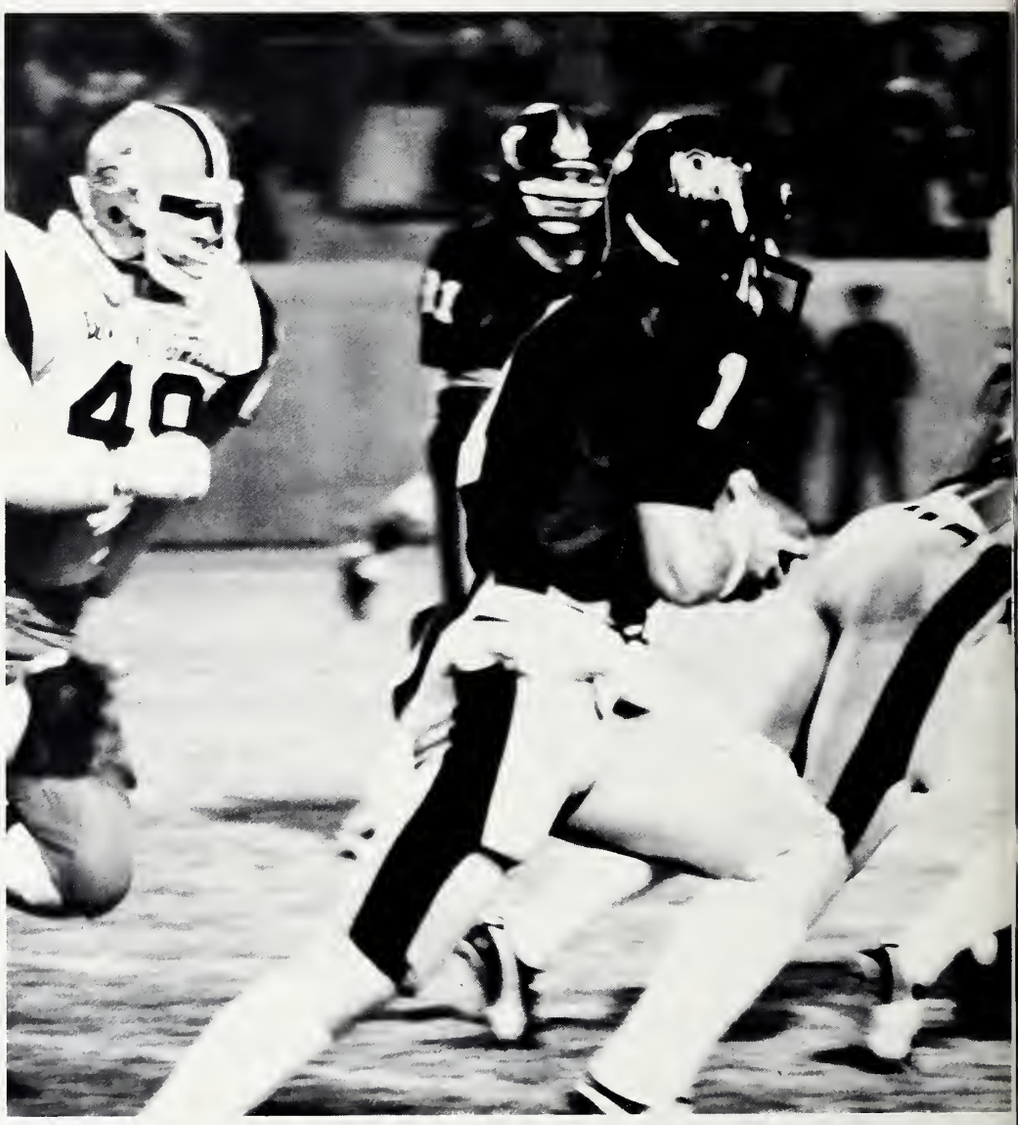
Winning Season Assured After Eagle Comeback



USM was welcomed back home to M.M. Roberts Memorial Stadium after two on-the-road loses, by defeating the Bowling Green State University Falcons of Ohio, 38-21. USM capitalized on two Bowling Green fumbles to turn around the game and assure USM of its first winning season since 1975. Hammond started for the Eagles and it was his 43 yard TD pass to Marvin Harvey that put Southern on the scoreboard first. USM also scored late in the first half as McDaniel hit Chuck Brown with a nine yard TD pass and they trailed 21-14 at the half.

USM scored twice as a result of Falcon fumbles during the third period. The Eagles dominated the fourth quarter by scoring ten points to the Falcon's zero. Boyette kicked a 37 yard field goal and the final TD came from the Falcon one yard line that Tiko Beal carried in to wrap up the game.

Eagles End Season . . . "Great in '78"

U.S.M. finished the season right with a 37-3 win over Louisville of Kentucky. The Golden Eagle offense couldn't be stopped, running up 351 yards while the "Nasty Bunch" maintained their reputation by holding the 130 yard per game rushing average of U.L. tailback Nathan Poole to a paltry 51 yards. The first quarter began with Chuck Cook receiving the kickoff, carrying it 31 yards, and fumbling to Marvin Harvey, who carried it another 10 yards. Jeff Hammond lead the Eagles to the 5, where Randy Boyette kicked to put 3 points on the scoreboard for the Eagles. The next score was in the second quarter, performed by Sammy Winder. Boyette made the PAT which raised the score 10-0. Louisville's only points were gained by a field goal with six seconds left in the half.

U.L. received Southern's second-half kickoff and three plays later lost the ball when Clump Taylor hit their quarterback who fumbled on his own 35. The Eagles capitalized on the turnover driving 35 yards for a TD by Marvin Harvey and PAT by Boyette. U.S.M.'s next score was a McDaniel pass to Larry Harrington and another Boyette PAT. In the fourth quarter, Bubba Busby intercepted a Cardinal pass and returned it 14 yards. McDaniel did the honors for a score after a seven play drive, and once again Boyette came through with the PAT. U.S.M.'s final TD was a seven yard rush by Ricky Floyd, his first touchdown of the year, making the score 37-3.

Coach Pete Taylor's 1978 team ran into tough competition last spring as the Golden Eagles ran up a 15-24 won-loss record. The Eagles were led in hitting by Donnie Murray who held a .294 average. Doug Taylor and Dean Higdon were the next two highest with .289 and .282 averages respectively. Johnny Kenna led the Eagles in RBI's with 20 and Kirby Newell has the sharpest eye at the plate by getting 24 bases on balls. Five Eagle players were tied for the lead in homeruns with one a piece. They were Doug Taylor, Johnny Kenna, Rick Trusty, Kirby Newell, and Irvin Rentz. Dean Higdon led the team with 5 triples and Johnny Kenna led USM with 7 doubles. Kenna was also the team leader in hits with 31.

From the mound, Mike Homan and Jon Owen led the team with lowest Earned Run Averages. Homan had 2.67 while Owen had a 3.66. Tony Ivino started the most games with 11 appearances and Steve Knight had the most complete games with 4. Randy Jamison and Bill Wallace were tied for the team lead in strike-outs with 35 each. USM played a tough schedule and the 15-24 record proved it. USM lost 4 tough games to UNO, Ole Miss, 2 to Miss. State and a split of two games each was achieved against Alabama. Teamwise, the Eagles finished with a .246 batting average, 270 hits, and 163 runs. In fielding, the young Eagle defenders made some mistakes, but improvements were made in catching and infield.

MEN'S BASKETBALL

It was a rebuilding year for Coach M.K. Turk and the Golden Eagle Team. Two new freshmen, forward Willie Robinson and center Joe Dawson, began the season as starters. These two were combined with the outside firepower of Jerome Arnold and Kenny Smith. Greg Lackey and Steve Fields were the backup guards who handled the point, while Paul Hollon was backup center.

The Eagles lost some very close games down the stretch as they continuously lost big leads in the second halves. In losing to USL, the Eagles held a 6 point lead with 2 minutes left, only to see the lead vanish—Andrew Toney of USL finished off the Eagles with a 30 foot jumper. At the buzzer the Eagles had lost 66-64.

Against the University of Alabama at Birmingham, USM led 59-58 after squandering a big lead again. A missed rebound with 5 seconds left allowed a UAB forward to put in a rebound. The Eagles then missed a desparation shot by Jerome Arnold at the buzzer to lose 60-59.

The Eagles lost a third heartbreaker to Tulane at Biloxi by a 75-74 score in overtime. The game ended 64-64. Guard Kenny Smith missed two tries to put in a rebound with 2 seconds left. The big decision made by Coach Turk to freeze the ball at a 16 point lead with 12 minutes left let Tulane back in the game.

The Eagles were 5-4 at home and 3-9 on the road. Two and one in overtime games, the Eagles won at Memphis State 91-89 and at Northwestern Louisiana 72-70 in double overtime.

USM had 5 players averaging in double figures. Jerome Arnold led the Eagles in scoring with 18 points per game and shooting 46.1% from the field. Kenny Smith averaged 16.2 points per game and shot 52% from the field. Joe Dawson scored an average 11.6 points per game from the pivot position and pulled down almost 10 rebounds per game. Forward Bill Logan averaged 10.2 points with 7 rebounds per game and Greg Lackey averaged 10 points.

Jerome Arnold had a season high of 41 points for the Eagle with 36 assists. Kenny Smith led the Eagles in assists with 102 and Greg Lackey shot an astounding 83%. Joe Dawson led the Eagles in rebounds with 199.

Smith, Lackey, Dawson and Robinson will return next year for another year with the USM Golden Eagles.

President
Dr. Aubrey K. Lucas

Having been a student, professor, registrar and dean at USM, Dr. Aubrey K. Lucas was well prepared to take on a new job here four years ago. He had seen this University through many different eyes over the years but never through those of the President. On March 19, 1978, this changed when he was inaugurated as the sixth president of the University of Southern Mississippi.

He accepted the "challenge", as he then called it, and has met many more since then in making USM the progressive and ever-growing University we know today. The former president of Delta State University, Dr. Lucas has worked to promote unity, pride and academic excellence to improve our university for the years to come. We have seen one of these improvements this year with the change from the quarter to semester system.

Dr. Lucas is continually striving to make USM a dignified and distinquished institution of higher learning for the benefit of all those seeking a high quality education.

Midnight Movie:

Hattiesburg Horror

A new fad reached Hattiesburg this fall—one that sent some USM students out to the grocery stores near midnight to buy rice, water guns, candles, newspapers, toast and other various items from bells to party hats; —One that possessed some USM students to dress in all types of late night regalia;—and one that sent most everyone to the Hardy Street Cinema at least once during it's several week reign.

It seemed that "The Rocky Horror Picture Show" had finally reached Hattiesburg as the midnight movie, bringing with it all the madness for it's cult-like movie-going followers. At first it was odd to see the costume-clad characters carrying grocery bags of supplies into the theater but later became acceptable as the movie's reputation got out. The theater owners offered free admission to their costume donned customers and somewhat encouraged the audience participation ranging from shouting to dancing throughout the movie.

Originally starting as a musical stage production in London, the film has grown to have a nationwide group of cult followers in the United States. Having already been held over months in Jackson and years in New Orleans and Baton Rouge, "Rocky Horror's" life was not as long-lived in Hattiesburg but was fun while it lasted.

Coffeehouse Series Spotlight Local Talent

The Union Coffeehouse Series began the fall semester with a performance by local guitarist and vocalist, Marsha Daniel. Accompanied by Joe Merritt on the piano and Ralph Holman on the bass, Marsha entertained a large crowd in the Union Coffee Shop with a unique style consisting of a fine blend of folk rock, country blues and jazz.

Louie Ehrlich and Scott Miller (pictured above), an acoustic duo, performed in the second of the Union Coffeehouses. Erlich and Miller are both from the Gulf Coast and have performed together for over four years. The essence of Jazz, a nine-piece jazz ensemble, entertained an enthusiastic audience at the last coffeehouse of the fall semester. Featured in the Essence was a brass section, female vocals, bass, percussion and woodwinds.

The series, sponsored by the R.C. Cook University Union gives students and local entertainers a chance to perform their talents and provides an excellent source of free entertainment to the student body at USM.

President's Home Goes Up

A 6,000 square foot two-story Georgian style house will be the home for many presidents of the university for years to come. Construction of the new USM president's home began this year.

The former president's home was given to the Alumni Association by the Board of Trustees of Institutions of Higher Learning in 1975 to be used as its headquarters. The Alumni House was no longer appropriate for use as the home for the president because of the noise level on Highway 49 and Hardy Street. The new home is located in the Jamestown section due to lack of space near campus.

"It is an official house in which university personnel conduct business" explained President Lucas. The price was originally set at $425,000, but was later raised to $700,000. "A lot of money is going into the foundation," stated Dr. Powell G. Ogletree, director of alumni affairs. "We want this one to last."

Largest USM facility to house Technology Courses

Groundbreaking ceremonies for the largest academic facility at the University of Southern Mississippi were held May 18, 1978. The new four-story technology building which is now under construction across from the Johnson Science Tower will house technology programs including environmental technology, medical technology, polymer science, computer science, construction and architectural technolgoy, and industrial technology.

Completion of the 100,000 square foot building is set for late 1979 or early 1980 with funds appropriated at 5.6 million by the state legislature.

Ninety Miles of Tradition

This year the Army ROTC and Kappa Sigma Fraternity continued their traditional running of the game ball to a USM football game. A football was ran over ninety miles from the University of Southern Mississippi Campus to the Jackson Memorial Stadium in Jackson. Beginning on Friday September 29th, the two day relay ended as the last runner entered the stadium and presented the ball to the game officials prior to the start of the USM vs. Ole Miss game.

The football run was a successful indicator of full school support for the 1978 Golden Eagles and is representative of the spirit that made USM "Great In '78".

First Year Successful for Eagle I's

A new organization to promote campus-wide spirit was founded at USM this fall. The "any body can belong" group called the Eagle I's got off to an enthusiastic start at the onset of football season. "The purpose of the group is to promote spirit for the Golden Eagles," said Bebe Boteler, a transfer student who first conceived the idea.

It all began when she ans some others were cheering at the pep rallies but realized they had no group to identify with. This promoted the organizational meetings and establishing the Eagle I's as a campus organization, now sponsored by the Associated Student Body.

In their first year, the new Eagle I's made their presence known on campus, at pep rallies and at football games. Winning the spirit stick and other campus honors including a first place award for their homecoming display has paid off for the spirited and active group.

Youth Congress '78

Seven U.S.M. students got a chance to learn first-hand about the Mississippi Legislative System when they attended the thirty-first annual Youth Congress, October 19, 20, and 21.

Party caucuses, bill proposals, campaigns, and elections kept the U.S.M. delegation busy throughout the weekend event held in Jackson. Delegates were Jeff White, chairman; Angie Manuno, Beth Reedy, and Stan Riles. Carl Brewer, Paul Freeman, and Nancy Knight attended as alternates.

Students of all ages from Mississippi attend the event yearly because of their desire to learn about the state's legislative system. High School students made up the House of Representatives, while Junior Colleges and University students composed the Senate.

The delegates elected a house speaker, clerk and party leaders who function as in normal legislative bodies. Southern's delegate, Manguno was elected clerk of the Senate and delegate Reedy was elected Secretary of the Republican Party to end the weekends activities.

Dr. Panko

and his cans

Frothingslosh, Quittin' Time, Sebewaing, Dunks, Hop n' gator, Hudy Delight, Crossroads, Oertels 92 . . . recognize any of these names?

This is just a sample of the many thousands of beer cans on and off the market today. The list comes from the organized jottings in the little black book of Dr. Tom Panko, associate professor of Sociology, who is a recent and avid member of the Beer Can Collectors of America (BCCA).

Panko has acquired close to 700 cans from all over the world in just one year as a member. "My interest started about nine or ten months ago, a lot of kids in my subdivision were collecting beer cans," said Dr. Panko. "I collected around 600 cans and went to my first 'canvention' in New Orleans in February of '78 . . . that's what turned me on to it.

(Taken from Dr. Panko's unCANny collection by Sue Shearer, appearing in the September 19, 1978 *Student Printz*.)

"Thursday Night at the Movies" Attendance Soars

The University Activities Council's "Thursday Night at the Movies" set all time records this year with the showing of "Blazing Saddles", Mel Brook's spoof on the wild west. The night's total audience for the January 25th showing was 1,434, surpassing the previous record set at 1,319 by "One flew Over the Cuckoo's Nest".

Over 11,500 USM students attended last year's series alone that included such favorites as "The Turning Point", "Oh God", "The Sting", "The Deep", "Slap Shot", "The Omen", "Silver Streak", "Heroes", "One on One", "Julia", and "Looking for Mr. Goodbar".

a special part of U.S.M.

Beginning in 1969, as a track and field event with 150 participants, Mississippi Special Olympics now involves nearly 10,000 mentally retarded individuals who take part in four statewide events and numerous district competitions.

Mississippi Special Olympics is funded by the Mississippi Legislature and is co-sponsored by the Mississippi Division of Mental Retardation and the University of Southern Mississippi.

The most unique facet of Special Olympics is that it is run almost entirely by volunteers. Even though only one statewide meet, swimming, is held at USM, over 80% of all volunteers are associated with the university. USM students, faculty, department chairman and employees have all contributed to making Mississippi Special Olympics the success it is today.

USM Students Advance to International Finals

Two USM students captured first place honors at the Region VI Games Tournaments of the Association of College Unions-International earlier this year. Competing against 18 teams, Cyndi Alford and Angelo Damico placed first in foosball competition held in early February at Georgia Tech University in Atlanta, Georgia.

Schools from Alabama, Georgia, Florida, and Mississippi sent representatives to compete in foosball, bowling, table tennis, chess, frisbee and billiards. Angelo and Cyndi advanced to regional competition after winning the local Union Gameroom Tournaments in November. They will go to the international finals in Reno, Nevada, April 13-15.

Angelo is a co-op student majoring in electronics and Cyndi is majoring in Art. Both are juniors and are originally from Brookhaven, Mississippi.

The nine sorority pledge classes at USM sponsored the 13th annual Junior Panhellenic Talent show January 22, with Joey Gautier taking top honors. A freshman from Long Beach, Joey performed his original composition, "Alawada", on the guitar and sang. Other winners included Terry Clark singing "What I Did for Love", second place; Sonya Doggett character dancing to "The Lonely Goatherd", third place, and Richard Hughes, James Dixon, and Vic Dubose, singing and playing "There comes a Time" fourth place.

The talent show is held each year in order to collect money for scholarships for sorority members. Master of ceremonies for the program was Randy Swan, WDAM-TV newsman and USM graduate. Judges were Bonnie Bomboy, James Cox, Charlie Ray, Jerrie Hines and Charlene Mills.

A Final Word . . .

Editing the '79 SOUTHERNER was a big challenge for me that I'm sure that I will never regret having undertaken. I have learned a great deal during the many long hours that I have spent here in this office wondering if it would ever be finished. It is the product of a few dedicated people who really cared that the students of U.S.M. should receive a nice yearbook.

I don't know what I would have done without my assistant editor, Dwight. I trusted his judgement in most every decision that I made. Not only has he been a true friend but a great deal of help to me as well. Burt Knight and Beth Paul also devoted much of their unselfish time. Mr. Dunn was always around to help when I needed him. He is a very dedicated man and I admire him very much. I also appreciate all the help of Vicki Wilson and Donna Giles who were always more than willing to do anything they could. The final artwork for the cover would not have been possible had it not been for Gary Stover who really did a beautiful job. Special thanks also goes to Photo Service for all their assistance, as well as my close friends, family, and advisor, Dr. Margaret McCarthy for their patience and encouragement.

I know that it is almost impossible to please everyone, but I hope that some part of the '79 SOUTHERNER will find favor with everyone that views it.
